1. For propaganda purposes, the Rumanian Government has brought about 120 North Korean children to Tusnad, which is near Toplita.
2. Propaganda based on the accusation of United States germ warfare against the North Koreans continues to be published. Letters from Rumanians serving in Korea follow a dictated pattern of charges against the United States. Money is still being collected for North Korea.
3. The Rumanian Government has enacted a new measure, which particularly affects the Jews, who are anxious to leave Rumania. Anyone leaving the country is allowed to take only 40 kilos of authorized goods; they are urged to offer their remaining goods to the Rumanian fighting heroes on the Korean front.
4. A new medical corps group of Rumanian physicians is being prepared for North Korea. Eighty men are inscribed thus far, although the figures released by the recruiting office indicate a larger number of recruits to be sent.
